 **COLOR CRAFT**

**PORTRAIT SESSION GUIDE**

Color Craft has been celebrating families for over 35 years. We know how important family is to you; and would like to help capture this moment in time. For most families, it has been too long since your last professional family portrait was taken. We want to ensure that you have the best session possible.

**THINGS YOU MAY WANT TO AVOID:**

- Anything with logos, graphics, or labels
- NEW haircuts or styles
- Mixing casual and formal clothing

## PERSONALIZING YOUR SESSION

Consider items to show your style and personality such as...a baby blanket, a stuffed animal or special toy. Musical instruments and sports equipment are also great additions.

## PREPARING FOR YOUR SESSION

Keep clothing simple. Start with a basic color palette. It can help to have one person in the photo wearing a patterned outfit that can coordinate with the rest of the group's clothing.

Keep in mind, our photographer may suggest a full-length pose. When choosing your clothing, consider your shoes as well.

Choosing shades of black, brown, blue, dark green and other jewel-toned colors can be more flattering.

Your session will consist of a variety of poses. Accessories can create different looks with little effort. Scarves, hats, jewelry, headbands, etc. can add personality to an otherwise ordinary image. Accessories should be complementary to the person.

Depending on your preference, make up can have a more natural appearance or a dramatic effect on your portraits.

Portraits will be taken at your organization's selected location. Plan one hour for check-in, photography and portrait selection. You will have the opportunity to view your images and purchase additional products. Your selections will then be delivered to your organization or shipped to your home.

# New PHOTO BOOKS

Choose images from your session to create your one of a kind Photo Book.

## Portrait Session Appointment:

Date: \_\_\_\_\_ Time: \_\_\_\_\_

Portraits will be taken at your organizations selected location. Plan one hour for check-in, photography, & portrait selection. You will view your images and have the opportunity to purchase additional products.

Your product selections will then be delivered to your organization or shipped to your home depending on your choices.
